Re: Notice of Increase in Civil Filing Fees

Dear Friends:

Please accept this letter as notice effective immediately the civil/domestic filing fee will increase to \$212.00. This is due to the passage of HB 851, which the Governor signed on April 26, 2016. The bill became effective upon the approval by the Governor.

Please feel free to contact me should you have any questions.

Respectfully,

Stacy K. Haralson
